## ANNOUNCEMENT.

**I**N presenting this catalogue of my first public sale it is at least a satisfaction to feel that I can submit for public inspection a very select lot of cattle, both from the standpoint of breeding and individual merit.

Realizing as I do that the end of all cattle is beef it has been my aim to produce a class of cattle that would give the greatest return for feed consumed. In all my purchases my motto has been: "Individual merit first, pedigree second, but where out-standing merit accompanied pedigree, buy the animal."

My herd has now reached such proportions that I believe I can make a fair division with the public and with no expectation of record breaking prices I merely desire to call attention to the general character of this offering believing that the public will appreciate our effort to furnish a high-class lot of cattle which will be sold without reserve to the highest bidder.

Cattle at owners' risk as soon as bid off, but at our expense until shipped.

TERMS.—Cash. Sale begins promptly at 1 o'clock.

Auctioneers—Cols. F. M. Woods, R. L. Harriman, Cary M. Jones, W. A. White.

**IMP. FLORA**—Bred by A. L. Maynard, one of the best breeders in England of his day, and imported by the Ohio Importing Co. in 1834. IMP. BASHFUL 2d—Red, little white, of 1886; bred by Wm. Duthie, Collynie, Scotland; imported in 1887 by Luther Adams, Storm Lake, Iowa; Bashful 2d traces on dam's side to Miss Ramsden, a tribe highly esteemed by our leading Shorthorn breeders and too well known to need comment. Mr. E. S. Kelley's \$6.000 Brave Archer is one of the numerous celebrated members of this family.

KNIGHT OF THE THISTLE 108656—Long used in the Storm Lake herd of William Miller, at whose dispersion sale he sold, when cattle were at the low ebb, for \$600. He was the sire of several of the top Shorthorns sold in 1901, among them the heifer that topped Mr. H. F. Brown's sale, selling for \$650. He was sired by Imp. Craven Knight 96923, out of Red Rose of Strathem by Imp. Duke of Lavender 69290; Red Rose of Strathallen by Imp. The Doctor 13021; Imp Rose of Strathallen by Allen (21172).

FIELD MARSHAL (47870)—Roan of 1882; bred by A. Cruickshank; got by the famous Roan Gauntlet (35284), out of Azalia by Caesar Augustus (25704). He was next to Champion of England, who was the greatest of Sittyton stock bulls. At an early day he passed into the hands of that prominent breeder of Scotch Shorthorns, Wm. Duthie, and for two or three seasons he was successfully used, more or less, on the Royal herd at Windsor. He has been regarded by Shorthorn breeders generally as the greatest representative of this popular breed in recent years.

NOBLEMAN 76592—Roan, of 1876; bred by S. Campbell, Kinellar, Scotland; sired by the Campbell bred bull, Novelist (34929), out of Golden Drop 7th by Sir Christopher (22895); Golden Drop 4th by Nobleman (26967), Bloom by Mosstrooper (11827), etc. As will be seen, Nobleman belongs to the Golden Drop family, which was the highest priced family at Linwood.

**IMPORTED FLORA 17th**—A dark roan cow, bred by Amos Cruickshank, Aberdeenshire, Scotland; imported in 1883 by Hon. John Dryden, Brooklyn, Ontario, Can., and purchased at a long price on account of her rich breeding and individual merit. She was got by Perfection, one of Mr. Cruickshank's Violet tribe, which was a favorite tribe bred by him for over forty eight years. She is of the Cressida family, a family that have distinguished themselves as great milk and butter as well as great beef producers.

**VISCOUNT OF ANOKA 125081**—Needs no introduction to the American public as a show and breeding bull. His winnings of 1898, 1899 and 1900 were the sensations of those years. The herd he headed the latter two was undefeated in the two years, either in their breed or over all breeds, having in that time won twelve first prizes in the Shorthorns and four first prizes over all breeds without a break, something never equalled in the history of the shows. His produce has been shown only in the last two years, but have demonstrated the fact that as a breeding bull he has no equal living.

Harris, Linwood, Kansas; sired by the Harris bred bull Lord Athol 122011 [got by a son of Craven Knight, Golden Knight 108086, out of Lady Athelstane of Linwood by the royally bred Imp. **VALLEY CHAMPION 110477**—Red of 1889; a pure Cruickshank; bred and used by F. Bellows & Sons. As a calf he was the champion winner over all beef breeds at the Iowa State Fair. He was a bull of substance and wonderful fleshing qualities, and as a uniform breeder of high-class stock had few equals. He was got by the Cruickshank bull Canada's Pride 2d 73111 [by Imp. Aberdeen Champion], out of Caroline by Royal Barmpton 94949, tracing to Imp. Columbia by Lord Lancaster 20239.

**IMP. WHITE ROSE**—Was bred by John Millwood, Yorkshire, Eng.; calved in 1830; imported into Kentucky by Walter Dun, reaching her new home November 26, 1883. She was a white with a few red spots on her neck, a color that reappears frequently in her descendants. Her sire, Publicola, was, through sire and dam, descended from the celebrated Sockburn Sall, one of the oldest families in the herd book. In Mr. Dun's hands, White Rose produced White Lady by George (2059); [imported by Messrs. Smith & Dun in 1836] afterwards owned and successfully bred by W. T.
